# TEACHING NOTES

## OBJECTIVES:

- To be able to identify key features of the Club Footie website/a football match
- To be able to use interesting vocabulary to describe football and Club Footie

To introduce this activity play hangman on the board:  
Club Footie or Football

Once they've established what it is, give the children time to talk to each other to think of words that come to mind when they think of Club Footie/Football. Remind them that their objective is to use interesting vocabulary/ adjectives. Mind map all their ideas on the whiteboard or get groups of children to make their own mind maps that they can pin up around the classroom.

See if any of them can remember what an acrostic poem is. Recap how to do one on the whiteboard using some of their ideas. Encourage to use descriptive phrases linked to football/Club footie rather than just words.

Children can complete their own acrostic poems to be displayed or turned into a class book.
